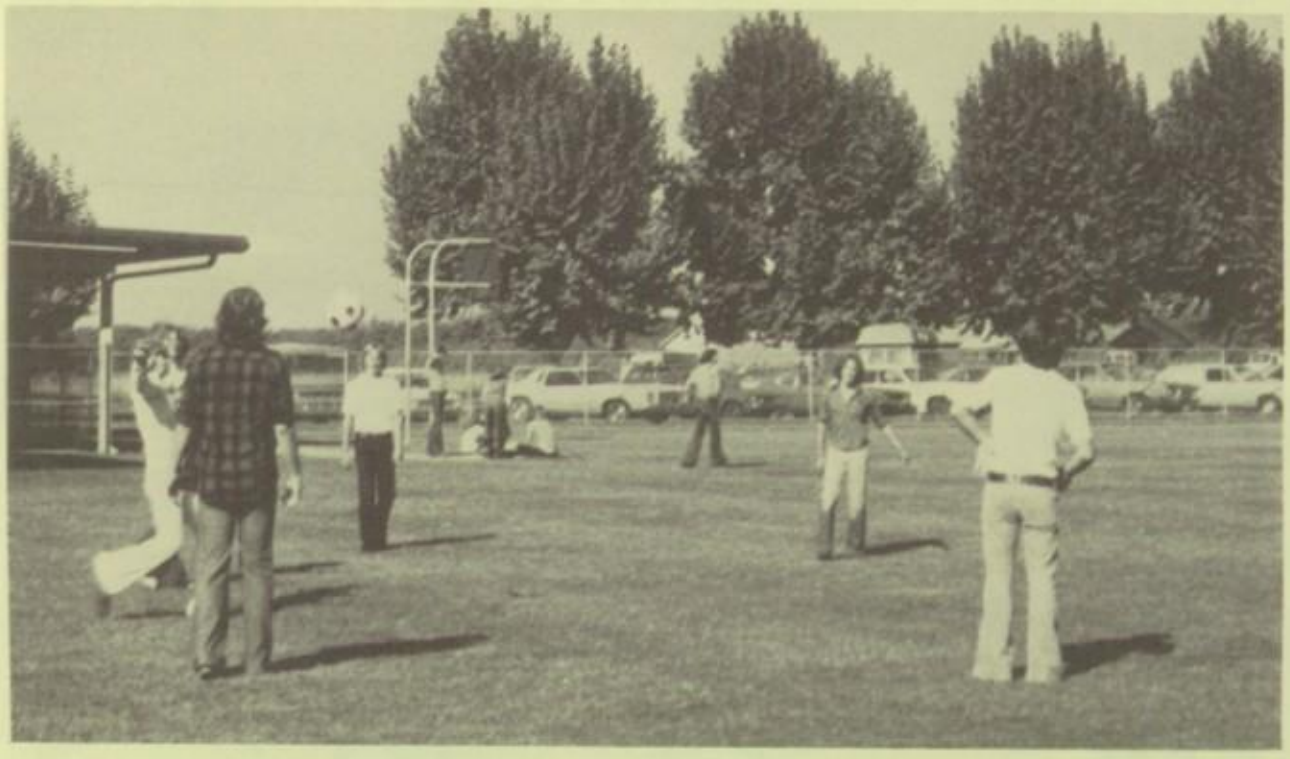
Hangin' Out



Heading out this morning

into the sun

Riding on the diamond waves

little darlin' one

Warm wind caress her

her lover it seems

Oh Annie

dreamboat Annie

my little ship of dreams

Going down the city sidewalk

alone in the crowd

No one knows the lonely one

whose head's in the clouds

Sad faces painted over

with those magazine smiles

heading out to somewhere

won't be back

for awhile.

Bee Gees

A group made up of 3 brothers, Barry Gibb (b. Sept. 1946) and twins Robin and Maurice Gibb (b. Dec. 1949). They also have a younger brother by the name of Andy Gibb who has made it big in ''78''. The Bee Gees have been a musical group since 1963. The album they have made this year, Saturday Night Fever (soundtrack for the movie) has 5 of the best disco songs around.
